

Jesus's Resurrection

The Order of Events Sunday Morning

The Women Arrive

They were:

Mary Magdalene

Mary, the mother of James and Joses

Salome

Joanna

And other women

Approaching The Tomb

They wondered who would roll back the stone

They heard a great earthquake

An angel descended from heaven

He rolled back the stone

The angel was sitting on the stone

The Angel Speaks To The Women

“He is not here”

“He is risen, as he said”

“Come see the place...”

In The Sepulcher

They saw a “young man” sitting on the right side

He spoke to them

He stood up

The other angel stood beside them

They confirmed Jesus’s resurrection

They instructed them to tell his disciples

The Women Fled

They were afraid

They spoke to no one

They ran to the disciples

They told the eleven and those with them

Peter, John, and Mary Magdalene Return

Peter and John both entered the sepulcher

They saw the linen clothes and the napkin

Peter and John left

Mary Magdalene Alone At The Tomb

She was weeping

She looked inside and saw the angels

They were sitting at the head and the feet

They asked why she was weeping

She thought someone had taken the body

Mary Magdalene Sees Jesus

When she turned back she saw Jesus

She thought he was the gardener

She asked where the body was

Jesus called her by name

She knew he was the Lord

She tried to touch him but he hadn't ascended

Jesus Appears Again

Mary, with the other women, saw Jesus again

This time he said, “All hail”

They held him by the feet and worshipped him

He told them to tell the brethren

They were to meet him in Galilee

In such a short time Jesus had ascended and returned

Summary

There were two angels

One sitting on the stone, one sitting inside, then both were standing, then both were sitting where he had lain

Jesus appeared to Mary Magdalene first

Then to some as they went to tell the disciples

At first, the disciples didn't believe he had risen
